

PAYROLL SERVICES FOR CULVER'S FRANCHISEES

BENEFITS

- Accuracy
- Confidentiality
- Dependability
- Expert Knowledge
- Timeliness
- Flexibility

Employment laws and regulations are ever changing and growing in complexity. Payroll preparation requires an increasing level of expertise that most companies do not have in-house. Let Wipfli's payroll experts take the worry out of payroll.

Outsourcing payroll can allow you to focus on strategic issues rather than preparing payroll. Wipfli's services include a payroll preparation and recordkeeping system that incorporates every aspect of the payroll process and provides prompt, accurate reporting.

WE MAKE IT EASY

Because of Wipfli's relationship with Culver Franchising System and many of your fellow franchisees, we have a working knowledge of P.O.S. and back office and can provide a seamless connection between your timekeeping system and payroll. Upon approval of employee hours, Wipfli can pull data directly from your back office system, eliminating any unnecessary steps and minimizing errors.

Our services are customized and flexible to handle all or part of your payroll needs. They include:
