Board Governance Training DVD Series

Have you ever thought, “I wish our entire board could get this training”? Now they can! Training on the three Rs—**Regulations, Requirements, and Responsibilities**—for effective board governance. Available when you and your board need it, the series includes the following topics:

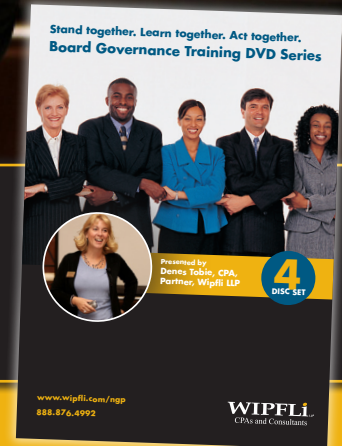

- General Board Governance Part 1 and General Board Governance Part 2
- Risk Management
- Reviewing the Form 990
- Head Start and Early Head Start Governance Requirements
- Roles and Responsibilities of an Audit Committee
- How to Hire an Auditor
- Board Review of Audited Financial Statements

In today's world, it's not only what you know, but how quickly you can gain access to information you do not know. These tools assist organizations in accessing the information they need to know."
