program

Summer 2021

Dream bigger, accomplish more

Discover our vision for the future – one you could help build by spending the day with Wipfli partners and associates.

During the program, you'll hear from our leaders, learn about your opportunities with our firm and see what it's like to be a part of the Wipfli team.

This interactive program will help you get a feel for Wipfli and the tax, audit and consulting work we do, including opportunities to meet and network with our associates.

About Wipfli

Curious is more than a personality trait. It's a way of thinking. Of learning. Of working. At Wipfli, curious is our approach to the world.

Curious is interested. Inquisitive. Curious is thinking. Seeking. But there's purpose in this wonder. It makes us better. It makes us Wipfli.
